*An Academy specialising in Sport and Performing Arts*

Dear Colleague

## Principal AV and IT Technician

Thank you for your interest in The Joseph Whitaker School and the post of Principal AV and IT Technician. I trust that you find the enclosed information useful and that you will want to apply.

The Joseph Whitaker School is a popular oversubscribed school. Although we have over 1300 students on roll, a strong family ethos has been created, built on very good relationships and staff knowing their students well. We were inspected in March 2019 and judged to be a "good school" and attainment levels are above the national average at both GCSE and post 16. From 1 September 2016 we became part of the East Midlands Education Trust (EMET).

All Staff enjoy a high level of support, the school has a strong team ethos and although everyone works very hard, it is a fun and supportive environment.

We want to appoint a confident, ambitious person who has the ability to understand the school IT systems and who has the confidence to deputise for the IT Network Manager when needed. This post has also been created to oversee our new sound and lighting equipment in the main hall plus all the other areas with AV equipment. The successful person would be expected to take a lead role in all AV aspects of school life to promote the school in a highly professional manner.

This is an excellent opportunity to develop the expertise for further career development.

We have a comprehensive website, [www.josephwhitaker.org](http://www.josephwhitaker.org), where you will find more information about the school.

Please refer to the job description and application details. This information can of course only give you a flavour of the school. If you would like further information, please do not hesitate to either visit us or to telephone me directly.

The closing date is **noon on Monday 9 December 2019**.
