Dear Candidate

### Catering Manager

Thank you for your interest in the above post at Limehurst Academy. This post is to begin as soon as possible.

Limehurst Academy is an exciting place to work and learn. Our school motto is Achievement in a Caring Environment. You will see when you visit the school and talk to the students, teachers, support staff and governors that we are passionate about what we do: getting the best out of every child whatever their abilities, interests or ambitions. We have high aspirations for everyone who is part of our community whether student or member of staff. With this caring ethos we are looking for skilled staff to join us who have a clear passion for helping young people achieve the absolute best they can. Also, since 1<sup>st</sup> January 2021, we are a proud member of the East Midlands Education Trust.

At Limehurst, we aim to deliver the highest quality teaching, which encourages greater student responsibility and independence in their learning. We aim to understand quickly the changing needs of each individual in our care and prepare them for the next stage of their education. We challenge and support them to succeed beyond what they believe they are capable of in an environment where students feel safe and relationships are good.

As you know, the school is currently rated by Ofsted as 'Good'. The report can be accessed via our website. We know our school well but we are not complacent. We are constantly seeking to improve, and deliver outstanding education to the community we serve – a community that we are very proud to be a part of.

This post is a crucial one to the school. We have over 600 students to feed each day, currently at lunchtime only, although we hope to reintroduce breakfast club and breaktime service soon. You will lead a team of five staff, and you will manage all aspects of the school's catering service. Please see the job description for further details.

If you believe you have the skills and qualities to help us continue to be successful, then I look forward to receiving your application. You will need to write a letter of application (maximum 1 side) detailing why you think you are right for this post. You also need to complete an application form which you will find on the vacancies page of the EMET website.

Please note we only accept electronic applications which should be emailed to [recruitment@emet.uk.com](mailto:recruitment@emet.uk.com) by the deadline date of 9.00am on Monday 26<sup>th</sup> April. Interviews will be held shortly after this date.

Yours faithfully

Jon Mellor
