## Trustees' report For the year ended 31 August 2021

The Trustees present their annual report together with the financial statements and auditors' report of the charitable company for the 1 September 2020 to 31 August 2021. The annual report serves the purposes of both a Trustees' report and a directors' report under company law.

The Trust as at 31 August 2021 consists of 18 academies working across Nottingham City, Nottinghamshire, Derby City, Derbyshire and Leicestershire.

## Structure, governance and management

#### a. Constitution

The Academy Trust is a charitable company limited by guarantee and an exempt charity.

The charitable company's memorandum and articles of association are the primary governing documents of the Trust.

The Trustees of East Midlands Education Trust are also the directors of the charitable company for the purposes of company law.

The charitable company is known as East Midlands Education Trust.

Details of the Trustees who served during the year, and to the date these accounts are approved are included in the Reference and administrative details on page 1.

## b. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

## c. Trustees' indemnities

The Trust insurance indemnifies the Trustees through the Department for Education risk protection agreement (RPA).

#### d. Method of recruitment and appointment or election of Trustees

The Trustees, who are also the Directors, are appointed under the terms of the Trust's Articles of Association as follows:

The Trust shall have the following Directors:

- Not less than 3 Directors, maximum 15 Directors;
- The Chief Executive Officer;
- The members may appoint Directors through such process as they may determine. The Members will take into account, but will not be bound by, the recommendations of the Local Governing Bodies of the Academies when appointing Directors;
- The total number of Directors including the Chief Executive Officer who are employees of the Trust shall not exceed one third of the total number of Directors;
- There shall be a minimum of two Parent Directors unless there are Local Governing Bodies which include at least two parent members;
- Where the Trust is required to have Parent Directors they shall be either elected or appointed as determined by the Directors;
- The Directors may appoint Co-opted Directors. The Directors may not co-opt an employee of the Trust as

a Co-opted Director if thereby the number of Directors who are employees of the Trust would exceed one third of the total number of Directors (including the Chief Executive Officer).

## e. Policies adopted for the induction and training of Trustees

During the year under review, the Trustees had 6 meetings. The training and induction provided for new Trustees will depend on their existing experience. Where necessary an induction will provide training on charity and educational, legal and financial matters. All Trustees are provided with copies of policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role as Trustees and Directors of the Charitable Company. As there is normally expected to be only a small number of new Trustees each year, induction tends to be done informally and is tailored specifically to the individual.

## f. Organisational structure

The Chief Executive is the Accounting Officer. The Trustees are responsible for setting general policy, adopting an annual plan and budget, monitoring the Trust by the use of budgets and making major decisions about the direction of the Trust, and senior staff appointments. The Trustees are responsible for monitoring the performance of the Chief Executive and Local Governing Bodies on a regular basis.

The Local Governing Bodies control the schools, implementing the policies laid down by the Trustees and reporting back to them. The Local Governing Bodies are responsible for the authorisation of spending within agreed budgets and the appointment of staff.

## g. Arrangements for setting pay and remuneration of key management personnel

The pay of the CEO is determined by the Trustees pay committee with other senior staff pay decisions being reported to the pay committee. The pay of the head teachers is delegated to the Local Governing Body, under the advice of the CEO, but decisions are made in accordance with EMET's pay policy. The pay of senior staff in individual schools is a matter for the local governing body to determine. Pay for any senior staff whose salary is over £100k will be determined by the Trustees.

Employees are always consulted regarding significant issues which relate to them. This is by means of direct consultation, through the management structure of Heads of Department and Heads of Year and through the Trade Unions. We have established a Joint Consultation Committee with the Trade Unions and this will increasingly be our mechanism for consultation on employee related matters. The Trust have consulted on, and implemented a number of detailed policies including:

- Appraising Teacher Performance
- Appraising Associate Staff Performance
- Attendance Management (Staff)
- Single Equality Scheme

## Engagement with employees (including disabled persons) (continued)

The Academy Trust has implemented a number of detailed policies in relation to all aspects of personnel matters including:

- Equal opportunities policy
- Volunteers' policy
- Health & safety policy

In accordance with the Academy Trust's equal opportunities policy, the Academy Trust has long-established fair employment practices in the recruitment, selection, retention and training of disabled staff.

Full details of these policies are available from the Academy Trust's offices.

## Objectives and activities

#### a. Objects and aims

The Trust was established to improve the life chances of students in all partner schools. The mission of the Trust is consequently clear and straightforward:

'To ensure all our students realise their full potential and develop into young citizens who make a positive contribution to society.'

Schools within the Trust are therefore committed to supporting each other in providing the very best quality of education for all our students. All partner schools have pledged to achieve the Trust's mission through following our six guiding principles:

- Providing outstanding opportunities for everyone associated with our Trust and delivering a lasting legacy for each individual student.
- Helping all our students realise their full potential by raising aspirations, boosting self-esteem and growing the confidence to aim high and achieve well.
- Developing work ready students with the skills, knowledge, expertise and character aligned to the needs
  of employers in a global world, which will prepare them for future success in further and higher education
  as well as employment.
- Developing active citizens with a sense of moral purpose who will contribute positively to their local community, wider society and by leading successful economically independent lives.
- Reducing disadvantage by closing the gap through inspirational teaching and outstanding enrichment opportunities for all students regardless of ability, social background and cultural diversity.
- Ensuring, through collaboration with all stakeholders, that each school is the preferred choice within its local community.

All schools within the Trust welcome the opportunity to be an equal and valued partner within EMET and see their success as being measured in the achievement of their own targets and in the achievements of the Trust as a whole.

Partner schools undertake to contribute to the success of the Trust by:

- Working together in a spirit of collaboration and cooperation to further the interests of all Trust members.
- Celebrating and building on the traditions of all partner schools within the Trust.
- Developing our specialisms and strengths across the partnership whilst supporting one another in our respective areas for development.
- Taking a partnership approach to the recruitment and selection of staff.
- Ensuring that our facilities are used to their fullest extent by the partnership and its community.
- Coordinating our calendar to ensure that it enhances the opportunities for staff and students to work on

## Trustees' report (continued) For the year ended 31 August 2021

## Objectives and activities (continued)

- partnership initiatives.
- Contributing to partnership wide CPD opportunities for all staff.
- Adapting our timetable and options system to promote wider choice and participation for staff and students within the partnership.
- Deploying our best teachers, managers and leaders within the partnership, to promote the best teaching and learning across the partnership.
- Making a unique contribution to the development of knowledge, skills and understanding in education.
- Providing the Directors with accurate and useful information about the progress of the partner schools.

## b. Objectives, strategies and activities

The Trust's Development Plan describes our objectives and aims. Having consistently achieved excellent academic results for a number of years our plans are to ensure that all schools in the Trust achieve an Ofsted judgement of at least 'Good'. Leaders and managers at all levels are encouraged to innovate in response to a continually changing educational climate and an absolute priority remains to ensure that all children feel safe in an environment where the discipline is firm but fair yet where student voice is heard.

Best practice in teaching and learning is widely shared in order to ensure that all children thrive and succeed and make better than expected practice.

#### c. Public benefit

In setting the objectives, the Trustees have given careful consideration to the Trust's general guidance on public benefit and in particular to its supplementary public benefit guidance on advancing education.

The objective of the Trust during the year was to advance for public benefit education in our schools and the surrounding area, in particular, but without prejudice to the generality of the foregoing by estimating, maintaining, carrying on, managing and developing schools and offering a broad curriculum.

## Strategic report

## Achievements and performance

## a. Review of activities and key performance indicators

The Trust now provides education for approximately 10,335 children across the East Midlands region.

There are no GCSE or A level examination results to report on given all exams were cancelled as a result of the Covid pandemic.

None of our schools were inspected during this reporting year and there are no key stage two results to report.

Our Alternative Provision school continues to provide excellent support to local schools for children who require a more individually tailored experience and the majority of the children in their care achieve well and go onto further education and training.

Like all schools in the country, the Covid pandemic has disrupted the education of the children in our care. Despite this, all of our schools complied with the government expectations of opening at the times we were expected to do so and providing the best possible remote education for children who were required to stay at home.

#### b. Going concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

## c. Promoting the Success of the Company

The Board of Trustees has in place formal approved Terms of Reference, which create the framework for the Trustees to achieve its purpose of leading and directing the affairs of the Trust in order to promote the long-term sustainable success of the Trust and ensuring sound governance, with consideration for the interests of employees, suppliers and other stakeholders.

#### Financial review

#### a. Annual review

Most of the Trust's income is obtained from the ESFA in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the ESFA during the year ended 31 August 2021 and the associated expenditure are shown as restricted funds in the Statement of Financial Activities.

The Trust also received grants for fixed assets from the ESFA and via the Local Authority. The restricted fixed asset fund balance is reduced by annual depreciation charges over the expected useful life of the assets concerned.

During the year capital expenditure of £4,332k was utilised for investment in the Trusts' fixed assets.

#### b. Reserves policy

The Board of Trustees review the level of reserves held annually. The level of reserves held takes into account the nature of income and expenditure streams, the need to match them with commitments, including future capital projects and the nature of reserves.

Reserves at the end of the period are £94,148k. The reserves will be used to fund, current commitments, and future building projects as well as expenditure required to set up new courses and implement the Aims and Objectives of the Trust as outlined in the Development Plan.

## c. Investment policy

The Trust's Investment Policy is now in place and approved by the Trustees. In line with the policy the Finance Director has transferred a proportion of funds to a deposit account in order to earn a higher interest rate on the funds available. In addition, research into other opportunities is underway to secure a better return on the funds available with the lowest risk possible.

(A company limited by guarantee)

## Trustees' report (continued) For the year ended 31 August 2021

## d. Principal risks and uncertainties

The Trustees have assessed the major risks to which the Trust is exposed and a Risk Management Statement and Statement of Control is in place. The Trustees have a range of policies in place to assess risks that the schools face, especially in operational areas (e.g. in relation to teaching, health and safety, bullying, school trips, safeguarding and the control of finance).

There are a number of factors which may affect the principal risks and uncertainties that the Trust faces and how the Trust intends to resolve them. These include:

## A change in government policy

With a change in Government policy, the funding of the Trust may change and may result in a reduction in funding. This is mitigated by building unrestricted reserves which may be used in time where funding has been restricted.

#### **Pensions**

The Trusts' non-teaching staff are entitled to membership of the Local Government Pension Scheme. The Trust's share of the scheme's assets is currently assessed to be less that its liabilities in the scheme and consequently the Trust balance sheet shows a net liability of £44,749k. It should be noted that this does not present the Trust with any current liquidity problem.

## **Fundraising**

The Trust has no commercial fund raising arrangements in place with any internal or external partners. Academies within the Trust do secure a relatively small amount of funding as voluntary contributions. The Trust does however generate income through the hire of its facilities.

## Streamlined energy and carbon reporting

The Academy Trust's greenhouse gas emissions and energy consumption are as follows:

	2021	2020
Energy consumption used to calculate emissions (kWh)	3,343,967	10,250,125
Scope 1 emissions (in tonnes of CO2 equivalent):		
Gas consumption	192.35	868.54
Owned transport	0.82	6.75
Total scope 1	193.17	875.29
Scope 2 emissions (in tonnes of CO2 equivalent):		
Purchased electricity	487.04	1,274.95
Scope 3 emissions (in tonnes of CO2 equivalent):		
Business travel in employee-owned or rental vehicles	2.16	7.57
Total gross emissions (in tonnes of C02 equivalent):	682.37	2,157.81
Intensity ratio:		
Tonnes of CO2 equivalent per pupil	0.07	1.33

The Academy Trust has followed and used the following quantification and reporting methodologies:

- the 2019 HM Government Environmental Reporting Guidelines;
- the GHG Reporting Protocol Corporate Standard; and
- the 2020 UK Government's Conversion Factors for Company Reporting.

The chosen intensity ratio is total gross emissions in tonnes of CO2 equivalent per pupil, the recommended ratio for the sector.

Three key measures taken to improve energy efficiency:

- 1. Replacement of a coal powered boiler with an air source heat pump and new insulated roofs in progress at one school using the phase 2 sailex decarbonisation grant
- 2. Sports centre LED lighting retrofit at one of our secondary schools to reduce high electricity usage
- 3. Bid entered in the low carbon skills fund for support in analysing carbon reduction projects at each site and support in grant applications

## Plans for future periods

The trust has grown rather cautiously in order to ensure we can maintain the very highest of standards in all of our schools.

During the 2021/22 year we will be welcoming more schools into the East Midlands Education Trust and we continue to engage with a number of other prospective partners.

## Disclosure of information to auditors

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware, and
- that Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

The Trustees' report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, on and signed on its behalf by:

**Dr A M Hindmarsh** Chair of Trustees

(A company limited by guarantee)

#### **Governance Statement**

#### Scope of responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that East Midlands Education Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The Board of Trustees has delegated the day-to-day responsibility to the Chief Executive, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between East Midlands Education Trust and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

#### Governance

The information on governance included here supplements that described in the Trustees' report and in the Statement of Trustees' responsibilities. The Board of Trustees has formally met 6 times during the year.

Attendance during the year at meetings of the Board of Trustees was as follows:

Trustee	Meetings attended	Out of a possible
Mr C P Barnfather*	0	0
Mr P T Booth	6	6
Mr B A Carr	6	6
Mr N Clifton	6	6
Dr J F Collins	5	6
Ms K M Foale	5	6
Ms S E Gubbins	5	5

Mr R McDonough (CEO and Accounting Officer)	6	6
Ms E C Thomas	1	2
Mr P J Winter	6	6
Ms S A Tinley*	1	1
Ms A Witherford	0	0

There were no specific matters dealt with by the committee during the year which are necessary to disclose. There were no significant changes made to the composition of the committee during the period.

The Audit Committee is also a sub-committee of the main Board of Trustees. Its main purpose is to advise the Board of Trustees on the adequacy and effectiveness of the Academy Trust's systems of internal control and its arrangements for risk management, control and governance processes and for securing economy, efficiency and effectiveness (value for money).

Attendance during the year at meetings was as follows:

## **Governance Statement (continued)**

#### Review of value for money

As Accounting Officer, the Chief Executive has responsibility for ensuring that the Trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Trust's use of its resources has provided good value for money during each academic year, and reports to the board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the Trust has delivered improved value for money during the year by:

- Invoking the tender process for works and services over the value set out in the Trust's Finance Policy.
- The appointment of a new Procurement Manager in September 2020 to further develop the Trust's procurement strategy. This role will help support schools, maximise the opportunities from centralising contracts and deliver better value for money for the Trust.
- All energy contracts have been renewed from April 2021 for five years taking advantage of the low wholesale energy market opportunity presented earlier this year.

## The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in East Midlands Education Trust for the year 1 September 2020 to 31 August 2021 and up to the date of approval of the annual report and financial statements.

## Capacity to handle risk

The Board of Trustees has reviewed the key risks to which the Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the Trust's significant risks that has been in place for the year 1 September 2020 to 31 August 2021 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

## The risk and control framework

The Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees
- regular reviews by the Board of Trustees of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- identification and management of risks

The Board of Trustees has decided to employ UHY Hacker Young LLP as internal auditor.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the Trust's financial systems. In particular the checks carried out in the current period included:

testing of payroll systems

# **EAST MIDLANDS EDUCATION TRUST**(A company limited by guarantee)

## **Governance Statement (continued)**

#### The risk and control framework (continued)

- testing of purchase systems
- testing of control accounts/bank reconciliations
- testing of controls around other areas such as fixed assets, expense claims, credit card transactions, petty cash, income related party transactions and other compliance matters

On a semi-annual basis, the internal auditor reports to the board of Trustees through the Audit Committee on the operation of the systems of control and on the discharge of the Trustees' financial responsibilities.

UHY Hacker Young LLP has been able to deliver their schedule of work as planned and no material control issues were identified.

#### Review of effectiveness

As Accounting Officer, the Chief Executive has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditors;
- the financial management and governance self-assessment process;
- the work of the executive managers within the Trust who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Board of Trustees and a plan to address weaknesses and ensure continuous improvement of the system is in place.

## Statement on Regularity, Propriety and Compliance

As accounting officer of East Midlands Education Trust I have considered my responsibility to notify the Trust board of Trustees and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the Trust, under the funding agreement in place between the Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2020.

I confirm that I and the Trust board of Trustees are able to identify any material irregular or improper use of all funds by the Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academies Financial Handbook 2020.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Trustees and ESFA.

## Statement of Trustees' responsibilities For the year ended 31 August 2021

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements:
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

## Independent auditors' Report on the financial statements to the Members of East Midlands Education Trust

#### **Opinion**

We have audited the financial statements of East Midlands Education Trust (the 'Trust') for the year ended 31 August 2021 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Trust's affairs as at 31 August 2021 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021 issued by the Education and Skills Funding Agency.

## **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Academy Trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

## Independent auditors' Report on the financial statements to the Members of East Midlands Education Trust (continued)

#### Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report including the Strategic report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' report and the Strategic report have been prepared in accordance with applicable legal requirements.

## Matters on which we are required to report by exception

In the light of our knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' report including the Strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

## Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the Academy Trust for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Trusts's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Trust or to cease operations, or have no realistic alternative but to do so.

## Independent auditors' Report on the financial statements to the Members of East Midlands Education Trust (continued)

#### Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. Based on our understanding of the Academy Trust and Academy sector, we identify the key laws and regulations affecting the Academy Trust to be the Academies Financial Handbook and Academies Accounts Direction. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identified that the principal risk of fraud or non-compliance with laws and regulations related to:

- management bias in respect of accounting estimates and judgements made;
- management override of control;
- posting of unusual journals or transactions
- non-compliance with the Academies Financial Handbook and Academies Accounts Direction

We focussed on those areas that could give rise to a material misstatement in the Academy Trust financial statements. Our procedures included, but were not limited to:

- Enquiry of management and those charged with governance around actual and potential litigation and claims, including instances of non-compliance with laws and regulations and fraud;
- Reviewing minutes of meetings of those charged with governance where available;
- Reviewing legal expenditure in the year to identify instances of non-compliance with laws and regulations and fraud;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations;
- Performing audit work over the risk of management override of controls, including testing of journal entries
  and other adjustments for appropriateness, evaluating the business rationale of significant transactions
  outside the normal course of business and reviewing accounting estimates for bias. In particular review of
  pension liabilities.
- A separate limited scope regularity review has been undertaken in respect of compliance with the Academies Financial Handbook and our report in respect of this is contained within the financial statements;

It is the primary responsibility of management, with the oversight of those charged with governance, to ensure that the entity's operations are conducted in accordance with the provisions of laws and regulations and for the prevention and detection of fraud.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

## Independent auditors' Report on the financial statements to the Members of East Midlands Education Trust (continued)

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <a href="www.frc.org.uk/auditorsresponsibilities">www.frc.org.uk/auditorsresponsibilities</a>. This description forms part of our Auditors' report.

## Use of our report

This report is made solely to the Trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Trust's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Trust and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

## Independent Reporting Accountant's Assurance Report on Regularity to East Midlands Education Trust and the Education and Skills Funding Agency

In accordance with the terms of our engagement letter dated 2 July 2020 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2020 to 2021, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by East Midlands Education Trust during the year 1 September 2020 to 31 August 2021 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to East Midlands Education Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to East Midlands Education Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than East Midlands Education Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

## Respective responsibilities of East Midlands Education Trust's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of East Midlands Education Trust's funding agreement with the Secretary of State for Education dated 28 March 2011 and the Academies Financial Handbook, extant from 1 September 2020, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2020 to 2021. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2020 to 31 August 2021 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

## **Approach**

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Trust's income and expenditure.

The work undertaken to draw our conclusion includes:

- Planned our assurance procedures including identifying key risks;
- Carried out a program of substantive testing, including review of the program of work and findings in relation to internal scrutiny;
- Undertook controls testing where considered appropriate;
- Concluded on the procedures undertaken.

Independent Reporting Accountant's Assurance Report on Regularity to East Midlands Education Trust and the Education & Skills Funding Agency (continued)

## Conclusion

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2020 to 31 August 2021 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

## Notes to the financial statements For the year ended 31 August 2021

## 1. General information

East Midlands Education Trust is a charitable company limited by guarantee, incorporated in England, United Kingdom. The address of its principal place of business and registered number is given on page 1 of these financial statements. The nature of its operations are set out in the Trustees' Report.

## 2. Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

## 2.1 Basis of preparation of financial statements

The financial statements of the Trust, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2020 to 2021 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

East Midlands Education Trust meets the definition of a public benefit entity under FRS 102.

The financial statements are presented in sterling which is the functional currency of the Trust. Monetary amounts are rounded to the nearest whole £1,000, except where otherwise indicated.

#### 2.2 Company status

The members of the company are named on page 1. In the event of the Trust being wound up, the liability in respect of the guarantee is limited to £10 per member of the Trust.

## 2.3 Going concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Trust to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

(A company limited by guarantee)

Notes to the financial statements For the year ended 31 August 2021

## 2. Accounting policies (continued)

#### 2.4 Income

All incoming resources are recognised when the Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

#### Grants

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of financial activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

## Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

## Other income

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the Trust has provided the goods or services.

#### • Transfer on conversion

Where assets and liabilities are received by the Trust on conversion to an academy, the transferred assets are measured at fair value and recognised in the Balance sheet at the point when the risks and rewards of ownership pass to the Trust. An equal amount of income is recognised as a transfer on conversion within 'Income from Donations and Capital Grants' to the net assets received.

## Transfer of existing academies into the Trust

Where assets and liabilities are received on the transfer of an existing academy into the Trust, the transferred assets are measured at fair value and recognised in the Balance sheet at the point when the risks and rewards of ownership pass to the Trust. An equal amount of income is recognised for the transfer of an existing academy into the Trust within 'Income from Donations and Capital Grants' to the net assets acquired.

(A company limited by guarantee)

Notes to the financial statements For the year ended 31 August 2021

## 2. Accounting policies (continued)

#### 2.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

## • Expenditure on raising funds

This includes all expenditure incurred by the Trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

#### Charitable activities

These are costs incurred on the Trust's educational operations, including support costs and costs relating to the governance of the Trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

## 2.6 Taxation

The Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

## 2.7 Tangible fixed assets

Assets costing £2,500 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

(A company limited by guarantee)

Notes to the financial statements For the year ended 31 August 2021

## 2. Accounting policies (continued)

#### 2.7 Tangible fixed assets (continued)

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is not charged on freehold land. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold land - not depreciated

Freehold property - between 10 and 50 years straight line - over the usefull economic life of 125 years

straight line

Long leasehold buildings - over the useful economic life of between 24

and 59 years straight line

Furniture and equipment - 5 years straight line
Computer equipment - 3 years straight line
Motor vehicles - 4 years straight line

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use and reclassified to freehold or leasehold land and buildings.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities.

#### 2.8 Stocks

Unsold uniform, catering and stationery stocks are valued at the lower of costs or net realisable value.

## 2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

(A company limited by guarantee)

Notes to the financial statements For the year ended 31 August 2021

## 2. Accounting policies (continued)

#### 2.10 Financial instruments

The Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Trust and their measurement bases are as follows:

*Financial assets* - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 17. Prepayments are not financial instruments. Amounts due to the Trust's wholly owned subsidiary are held at face value less any impairment.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in notes 18 and 19. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument. Amounts due to the Trust's wholly owned subsidiary are held at face value less any impairment.

#### 2.11 Operating leases

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease term.

#### 2.12 Pensions

The Trust operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Trust to the fund in respect of the year.

Retirement benefits to employees of the Trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

(A company limited by guarantee)

Notes to the financial statements For the year ended 31 August 2021

## 2. Accounting policies (continued)

#### 2.13 Agency arrangements

The Trust acts as an agent in distributing 16-19 bursary funds from the ESFA. The Trust can use up to 5% of the allocation towards its own administration costs and this is recognised in the statement of financial activities. The funds received and paid and any balances held are disclosed in note 31.

The Trust also acts as an agent in distributing training bursaries to trainee teachers from the NCTL.

#### 2.14 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

## 3. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

#### **Local Government Pension Scheme**

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 27, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2021. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

#### **Depreciation**

The assessment of the useful economic lives and the method of depreciating fixed assets requires judgement. Depreciation is charged to the Statement of Financial Activities based on the useful economic life selected, which requires an estimation of the period and profile over which the Trust expects to consume the future economic benefits embodies in the assets.

Critical areas of judgment:

## Transfer in of existing academies into to the Trust

During the year the assets and liabilities of Limehurst Academy, Chellaston Infant School, Chellaston Junior School and Homefields Primary were transferred into the Trust. Significant balances transferred included the LGPS pension scheme deficit and freehold/leasehold land and buildings. Whilst valuations have been received in respect of these assets and liabilities, there is an inherent level of judgment and estimation involved in their recognition as alluded to above.

### 5. Funding for the Academy Trust's education operations (continued)

The Academy Trust has been eligible to claim additional funding in year from government support schemes in response to the coronavirus outbreak. The funding received is shown under "exceptional government funding".

- The funding received for coronavirus exceptional support covers £553k of Catch-up premium and £441k of other Covid-19 funding. These costs are included in notes 8 and 9 below as appropriate.
- The Academy Trust furloughed some of its catering, extended school and lettings staff under the governments CJRS. The funding received of £156k relates to staff costs in respect of 43 staff which are included within notes 8 and 9 below as appropriate.

Following the reclassification in the Academies Accounts Direction 2020/21 of some grants received from the Department of Education and ESFA, the academy trust's funding for Universal Infant Free School Meals and Pupil Premium is no longer reported under the Other DfE Group grants heading, but as separate lines under the Other DfE/ESFA grants heading. The prior year numbers have been reclassified.

During the year ended 31 August 2021, travel and subsistence expenses totalling £NIL were reimbursed or paid directly to Trustee's (2020 - £446 to 1 Trustee).

#### 14. Trustees' and Officers' insurance

All academies opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the Trustees and officers indemnity element from the overall cost of the RPA scheme.

The specific purposes for which the funds are to be applied are as follows:

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objectives of the Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to a specific capital purpose imposed by the Department for Education where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise of all other restricted funds received and include grants from the Department for Education and will only be used for the purpose that the grants were intended. The main grant received within these funds is the GAG.

Pension reserve represents the movements on the Local Government Pension Scheme liability.

Other grants reserve represents funds which are restricted by the donor.

The transfer into restricted fixed assets represents the Trust's contribution to capital expenditure.

Under the funding agreement with the Secretary of State, the Academy Trust was not subject to a limit on the amount of GAG it could carry forward at 31 August 2021.

### Notes to the financial statements For the year ended 31 August 2021

#### 28. Pension commitments

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Nottinghamshire County Council and Derbyshire County Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

Contributions amounting to £906,964 were payable to the schemes at 31 August 2021 (2020 - £704,364) and are included within creditors.

#### **Teachers' Pension Scheme**

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

#### Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the year amounted to £4,817,789 (2020 - £4,552,221).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy Trust has set out above the information available on the scheme.

### 28. Pension commitments (continued)

#### **Local Government Pension Scheme**

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2021 was £2,748,000 (2020 - £1,927,000), of which employer's contributions totalled £1,937,000 (2020 - £1,483,000) and employees' contributions totalled £ 541,000 (2020 - £444,000). The agreed contribution rates for future years are 18.3 per cent for employers and 5.5-12.5 per cent for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Notes to the financial statements For the year ended 31 August 2021

#### 31. Related party transactions

Owing to the nature of the Academy Trust and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academies Financial Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the Academy Trust's financial regulations and normal procurement procedures relating to connected and related party transactions.

R McDonough is the Chair of the Board of Confederation of Schools' Trust. During the year the Trust paid £1,911 (2020: £1,141) in subscriptions and conference attendance fees to the organisation on an arm's length basis. Additionally, the Trust paid travel expenses of £nil (2020: £706) of R McDonough in his capacity as the Chair of the Board which are then reimbursed by the organisation.

#### 32. Post balance sheet events

Castle Donington College will join the Trust on 1 January 2022.

#### 33. Agency arrangements

The Trust distributes the 16-19 bursary funds to students as an agent for the ESFA. In the accounting period ending 31 August 2021 the Trust received £51,041 (2020: £55,733) and disbursed £34,600 (2020: £53,983) from the fund.

#### 34. Transfer of existing academies into the academy trust

On 1 January 2021 the Trust acquired Limehurst Academy for £nil consideration. All of the operations and assets and liabilities were transferred to East Midlands Education Trust.

On 1 June 2021 the Trust acquired Chellaston Infant School, Chellaston Junior School and Homefields Primary (previously part of Peak Multi Academy Trust) for £nil consideraion. All of the operations and assets and liabilities were transferred to East Midlands Education Trust.

The transfers have been accounted for using the acquisition method. The assets and liabilities transferred were at fair value and recognised in the Balance Sheet under the appropriate headings with a corresponding net amount recognised as net incoming resources in the Statement of Financial Activities as a donation.

The following tables sets out the fair values of the identifiable assets and liabilities transferred and an analysis of their recognition in the Statement of Financial Activities.
